Explanation of Responses:

1. As previously reported on a Form 4 filed by the reporting person on April 26, 2012, the reporting person reported acquiring options to purchase 94,000 shares of common stock pursuant to the Issuer's Amended and Restated 2004 Incentive Stock Plan. However, the Issuer subsequently determined that the options were not validly granted because the grant inadvertently exceeded the limit on the number of options that may be granted to any individual participant in any single fiscal year. Accordingly, the options were never granted to the reporting person. The reporting person is filing this amendment to report that no options were acquired.
