- Represents shares of common stock withheld by the Issuer to satisfy certain tax withholding obligations associated with the vesting of restricted stock units.
- Each performance right represents a contingent right to receive one share of the Issuer's common stock. The performance rights vest based on stock performance over a three-year performance period, and shares, net of tax withholding, will be delivered on the first anniversary of the vesting date. The number represents the maximum number of shares that may be delivered pursuant to the award, which is two times the target number of shares.
